

Bollywood Osiako

Bollywood is five years old and in pre unit. He was born on 1/10/2004. He lives alone with his mother who is HIV positive since the father died of HIV/AIDS. However, Bollywood is HIV negative.

They live in a one roomed house without electricity and uses charcoal jiko for cooking. In addition, he uses a smoky hurricane lamp when doing his homework.

Since there is water problem in the area, the mother buys borehole water which is not far from their home compound and they use the pit latrine within the compound.

He is not very talkative but he is obedient. He is an average boy in education and had 440 marks out of 500 in second term examination. He likes athletics, soccer and playing with dolls. He would like to become a pilot or a policeman when he grows up.
