

Brian Kapchanga

Brian is 12 years old and in third grade. He was born in 8/05/1997. Both his parents died of HIV/AIDS; however Brian is HIV negative.

He lives in a three roomed house with his aunt who is HIV positive and 14 cousins. Brian eats two meals per day and shares the bed with his three cousins.

He is an outgoing, friendly, active and kind boy and likes helping in family chores. His favorite activities are dancing, singing, football and bicycle riding.

He scored 371 marks out of 500 on his most recent exams and promises to work hard. He would like to become a doctor when he grows up.
