

ESTHER MAIKO

Esther is 13 years old, born on 10/06/1996. She is in fifth grade. Her family lives in a two roomed house in a crowded environment which is quiet and safe. She lives with her aunt, uncle, brother and nine cousins. Her parents passed away of HIV/AIDS but she is HIV negative.

Esther is a social girl and outgoing with lots of friends. Her hobbies include racing and playing Kati. Esther hopes to

become a teacher in future. She scored 330/500 marks in her final exam.

Esther says she will be very grateful to her sponsor since education will empower her with skills and knowledge which change her life positively and achieve her dreams.
