

## **FAITH WANGUI**

Faith is eight years old, born on 10/10/2001. She attends Riruta H.G.M. primary school and is in 2<sup>nd</sup> grade.

She lives in a one roomed iron sheet house with her family in a crowded environment. The house has no electricity and they use a lamp for lighting. She lives with her mother and sister. Her mother is HIV positive and her father abandoned them; but she is HIV negative.

The family has access to water within the home compound and share toilet facilities with other tenants. The home environment is quiet and safe.

Her mother works in a restaurant a part time job to earn income. They use charcoal and kerosene to prepare food. Faith takes three meals a day and sleeps on a bed which she shares with her sister.

Faith's mother describes her as a bright girl, ambitious and courageous. Faith is a very social girl and outgoes with lots of friends. Her hobbies include playing Kati. Faith hopes to become an accountant in the future and be a role model to others. She scored 437/500 marks in her final exam. Her favorite subject is mathematics.

Faith says she will be very grateful to her sponsor because her hope for a bright and successful future has been kindled.
