

SHAREEN AGIZA

Shareen is 9 years old, born on 1/7/2000 and attending Riruta satellite primary school.

She lives in a one roomed iron sheet house with electricity with her family. The home environment is crowded but safe. Shareen lives with her mother and brother.

Her mother is HIV positive and her father passed away of HIV/AIDS; but she is HIV negative. Her mother works as a hair dresser to earn income.

Her family purchases water from nearby water outlets and share toilet facilities with other tenants. They use charcoal and kerosene to prepare food. Shareen takes three meals a day and sleeps on a bed.

Shareen is social and outgoing with lots of friends. Her hobbies include playing Kati, skipping rope and hide and seek. She hopes to become a nurse in the future and help the less fortunate. She scored 366/500 marks in her exam.

Shareen says she will be grateful to her sponsor for sponsorship because her hopes have been kindled and a bright future foreseen.
