**Part V, line 4:**

The purpose of the Organization's board-designated endowment is to provide for future spending needs while meeting current spending needs. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the board of trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Organization has no donor-restricted endowment funds.

The investment objective of the Endowment Fund is based upon a long-term investment horizon allowing interim fluctuations to be viewed in an appropriate perspective. the return target is 4% plus inflation and fees.

**Part XIII** Supplemental Information *(continued)*

To accomplish this return goal, the Endowment Fund will diversify its assets among several asset classes and seek to manage risk effectively.

The purpose of the Endowment Fund is two-fold: to provide funding for programs of the Organization and to help the Organization manage its finances in the event of an unexpected loss or uneven revenue flows. To date, the board has elected to use Endowment Fund resources for both purposes. The board has not adopted a spending rate and does not currently take regular distributions; distributions have been episodic and specific to the two purposes outlined above.
